Fujoshi Bitches

Happy Birthday

Suzuki

Bitches ♡

Happy anniversary, Fujoshi Bitches! Really enjoy all your work and am proud to be able to work with you all.

Megamane

Thanks for reading and enjoying our world. Look forward to seeing more of you in the future!

Leo

Heidi! Happy anniversary TupoB! I'm so glad to be part of such a nice team! I hope there will be as much more anniversary's coming in the future! Kiss =

Firefang

-My dear TupoB, Let's grow perry together, And blow... them sandies- My love for bad hentai nudes, what I love about proofing: putting words into people's mouths, what I hate: axes, OGA overload. Keep feeding me fairy tales & delightful conversations, & I'm all yours. Happy 3rd Ann... gonna say cake, I won't eat it :)

Simon

Happy anniversary!
Here's to another year of
doing more manga! :)

Nathangyn

Thank you Fujoshi Bitches for making my ability to redraw perry scenes. I never would have realized my hidden talent otherwise. I love helping spread all of the BL love and have had so much fun in my time here! Here's to many more years together!

Gems

Heidi I'm pretty new to the group but congrats on the anniversary and I hope we can create more BL content~

Majika

Happy 3rd Year Anniversary, Fujoshi Bitches!

Wow, it's been a year and a half now. Thanks for everyone's hard work as always! :D

Justicia

Wow, 3 years already? I'm truly grateful to everyone that has helped TupoB over this past year! Gonna have you but the ones that stick are truly amazing! We couldn't have a group that does as well without each and every one of you. It's the staff here at TupoB that makes me love what I do, they're all true friends! :3 We can make this coming year even better! Thanks goes to Nathangyn that drew her own version of Kaku and Neruana for your eyes! I'd also like to thank our perry partners, without them it'd be hard to do a lot of stuff we're doing! Finally thank you, the readers that support us with your lovely comments and kind words that help as push forward.

Cryptidgen

Literally joined a month ago, but happy anniversary to FB and hope to stick around for the next one :D

Paper bliss :3

Candice

Fujoshi Bitches is like the most productive and consistent group I've ever dated (worked) for. Crye is an amazing head, always providing me with delicious manga to work with, and works super efficiently! I've been in FB for about a year and I hope I can stay here for as long FB is around! Thanks for having me and I'm so glad to be working alongside with fellow fujoshi! (w/0)/0

Joan

Happy anniversary TupoB! Time flies and it is wonderful to see that this group has remained strong, bringing us all a little taste of enjoyment. Thank you!

Johnny

Thank you for supporting us all this time. And thank you to Crye for always giving me stuff to work on and earning for each good moment! Happy anniversary to all FB members! :)

Mely

Happy Ann FB!

Even though I haven't been a member of this group for long, I have had the chance to take part of many projects and got to read quality BL :3 Thank you Crye, for letting me join the group and teaching me many things, thank you FB staff for all the hardwork they've been putting into releases, and thank you readers for all your support!
